**DETAILED ACTION**

***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on July 8, 2004 has been entered.
  
2. Claims 1, 3-16 and 19-76 are pending in the present application. Claims 24-76 have been added by preliminary amendment.

***Allowable Subject Matter***

3. Claims 1, 3-16 and 19-76 are allowed.
  
4. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 22 and 23 the prior art of record fails to teach maintaining a measure of invalid guess-database block addresses by calculating a ratio of a count of database block addresses in a list of new addresses to a total number of leaf blocks of the primary B<sup>+</sup> tree. Regarding independent claim 16 the prior art of record does not teach a ratio count of database block addresses to a total number of

leaf blocks as a measure of invalid guess-database block addresses. Regarding newly added independent claim 50, the prior art of record fails to teach maintaining a measure of quality of the second index or the mapping table based on a ratio of information relating to the modification of the primary index to a size of the primary index. The limitations of newly added independent claims 59 and 68 parallel the limitation of method claim 50; therefore they are allowed for similar reasons as cited above.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
